

CARE

VINOS DE ARAGÓN

BODEGAS CARE

GARNACHA BLANCA NATIVA

DOP

"Cariñena is one of the oldest regions in Spain with a hot, dry Mediterranean climate. Our four estates provide 100% of the grapes that give Bodegas Care wines their strength, personality, and character. With our roots in tradition, our wine's primitive labels, inspired by artist, Enrique Torrijos, depict the many faces that are universally identified as Care wines."

VINEYARD LOCATION	Cariñena
ELEVATION	600-800 meters above sea level
